Hm... But he might know where Liu Bei is.....
Good grief....
.....

What...? Our elite troops are...

Uh guh cough

That's enough !!
The ones seriously wounded are five six
Either way, he seems to be easier to deal with than Liu Bei.. Well then...
His ability... From what I've seen, it seems to bring out the user's latent abilities..
I see... So they had another one besides Liu Bei who had recieved a boon from the Xian...
The black pearl at the end of his spear...!
Is he... a monster ...!?

Yellow Turbans, stand up! Cut him down!!

Is the Han dynasty trying to cause their own downfall !?
Curse those blasted officials! This happened because they demoted honorable Lu Zhi....!

What about honorable Guan Yu!?
Retreat. Meet up with Jian Yong's troop

To think that things would change this much from people being charged for things due to not accepting bribes...
Even without the Yellow Turbans, they'll purge the royal army and the government officials...!
Is this the tidal hour...

Late running away!? Damn dog of the government!

We need to bring brother back! There is only brother left!
And I won't let a single Yellow Turban through!!

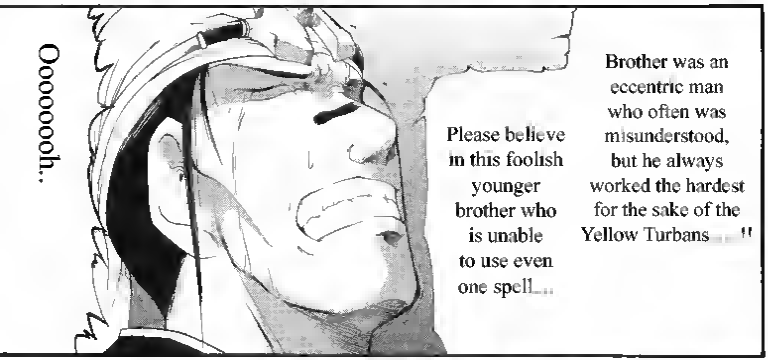
Yes..! A man called Yan Zheng was present when general Zhang Bao's head was taken by one of Liu Bei's men...



Ooooooh..

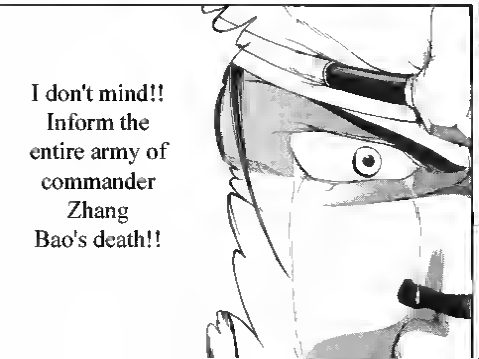
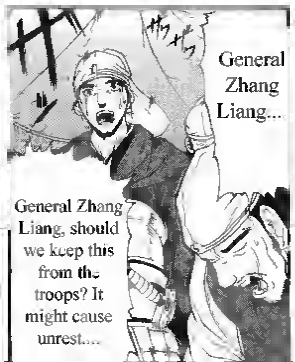
Brother was an eccentric man who often was misunderstood, but he always worked the hardest for the sake of the Yellow Turbans...!!



I don't mind!! Inform the entire army of commander Zhang Bao's death!!



General Zhang Liang...
